

Stay Informed

Sometimes "LIFE happens" and important information slips up on us or we miss out on something fun! HPK has a way for you to receive friendly reminders, last minute school wide information and even weather updates that concern school closing!

Using your smart phone, simply text
HPK to this number: 843-202-4779
(only have to do this 1 time)

You will receive an automated text back, make sure to complete the "1 step" and click "JOIN"😊
THAT'S IT, there's nothing left for you to do now but
Stay Informed!

- **You will ONLY receive school wide info this way, not individual class info
- **Your phone will NOT be bombarded with 100 texts
- **You will ONLY receive text about HPK (the "Welcome screen" says Highland Park UMC)
